Profile A

Famous movies? You know everything about them! Your favorite type of film is the comedy because you love laughing. You are always the first one to suggest going to the cinema to your friends! In the evening, you love watching a movie with your family. You are interested in the actors and the shooting of your favorite film and you wonder why not work in the cinema in the future.

Noémie CHAUVIN, 4^e B

Profile B

You are fascinated by love stories and you are very romantic. You are crazy about fairy tales. But as for your cinema knowledge, you don't know the name of the actors. Your favorite movie is *Titanic* because this film is very moving. You love famous actors and you often go to the cinema but you have never seen *Indiana Jones* because you hate action movies. *Twilight* is one of your favorite movies and you know the story by heart. You saw *Alice in Wonderland* but you didn't like it because you can't bear the fight at the end. You don't know the length of the shooting of *Avatar* but it's normal because this movie is not your kind of film. In your opinion, *Pirates of the Caribbean* is very exciting.

Guillaume Augis, 4^e B

Profile C

You don't like cinema a lot, you don't have an important film culture. When your friends or your family suggest going to cinema or watching TV, you are not so happy. You don't know a lot of famous actors.

When you have finished your homework, you don't rush to watch TV : you read or you have other ways of entertainment. You love Brad Pitt and thrillers and you don't particularly enjoy cartoons. You prefer action films such as *2012* but I think you don't like *Indiana Jones* because you don't know the actor who played the main character in it.
