### **Profile A:**

You like being afraid and blood doesn't scare you ! The last film you saw was *Harry Potter and the deathly Hallows (7<sup>th</sup> volume)* because there is a lot of adventure and you are a fan of this sequel. You never cry during a film because you're not very sensitive and moving movies are not for you. You prefer blood to tears ! You don't know the name of the producer of *The Simpsons* and how many awards *Titanic* won because you're not interested in cartoons and romantic movies. However, you know who the director of *Inception* was because it's an adventure movie and you like it very much !

### **Profile B:**

You prefer romantic films because you are crazy about love stories. You sometimes go to the cinema and the last film you saw is *No strings attached*. You always cry during a film because you are a sensitive person. Your favourite film is *Titanic*, the most famous love story in the world. You know it by heart ! You're not interested in horror or action films, so you don't know who the director of *Inception* is. When you were a child, you preferred Walt Disney cartoons to *The Simpsons*. You are still waiting for your Prince Charming, you definitely have a romantic soul !

### **Profile C:**

You are crazy about comedies because you like laughing in front of a good movie while eating popcorn. You only go to the cinema when you think there is a good film. Your favourite movie is *Life, as we know it*, because you are fond of babies ! You sometimes cry during a film when the story is sad. You watch *The Simpsons* every night. You don't like *Titanic* because you don't like love stories which finish badly. You like Johnny Depp but you don't know how many movies he has shot. You think it's not interesting to know who the director of a film is, so you don't know who the director of *Inception* is.
