

Nous avons passé d'excellentes vacances de Pâques !

Voici le courrier de nos élèves de 6^{ème}...

Dear, M^{rs} Roptin

During my holiday, I went to the South of France to go and see my grandmother who lives in a village called Ardouane, and in this village there is a river. I didn't swim because the weather was very cold. On Saturday, April 16th, I went to Pomarède to do an "Abracadabranche" circuit in the trees. I didn't do the green, yellow and orange circuits because they were for the younger children. The next day, I visited the wood museum at Hautpoul where I made a wooden puzzle in the shape of a monkey. On Monday, April 18th, I went to Combedaubert to go and see my cousins. On Thursday, April 19th, I went to Valras beach near Béziers. On Wednesday, the 17th and the 20th of April, we went to the market in s+pons with my grandmother, my younger brother Mathéo and a friend of my grandmother's whose name is Jocelyne. ⇒

Goodbye

Dead Mrs Roptin,
For my holidays, I went
to the seaside at Saint-Jean-de-Puy.
I swam but the water was
very cold. I visited the
church where Louis XIV
got married.
It didn't rain at all.
I didn't wake up early
in the morning because
if I was on holidays.
I had a good time and
now I'm happy to go
back to school.
See you soon
Goodbye
